

Summary Notice - “Edital n. 03/2024”

1. Registrations are open for the selection to enroll in Doctorate (PhD) course in the Graduate Program in Physics – PPGF/IF/UFAL (Edital PPGF/CPG-PROPEP/UFAL n.º 03/2024).

2. A total of 10 vacancies are available for broad competition and reserved quotas. Registration will be carried out exclusively online through the Integrated System of Academic Activities Management - SIGAA, from August 23th to September 22th, 2024 (https://sigaa.sig.ufal.br/sigaa/public/processo_seletivo/lista.jsf?aba=p-stricto&nivel=S).

3. The complete Notice is available (in Portuguese only) at: <https://if.ufal.br/pt-br/pos-graduacao/mestrado-doutorado-em-fisica/selecao-1/regular/2024/2024-2-extra- apenas-doutorado>

4. Below is a summary of the most important information:

TARGET PUBLIC

- Candidates with a master's degree in physics or related areas, graduates in physics or some other higher education degree issued by official institutions.
- Candidates who have not yet completed the master's degree may apply, provided that its completion date is officially provided for before the deadline for enrollment in the doctoral course.

The selection process comprises:

- I - Curriculum Analysis Grade (NAC)
- II - School Transcript Grade (NHE)
- III - Grade on the Explanatory Memorandum (NEM)

Timeline	Period
Publication of the notice	2024 August 21
Period of appeal of the terms of the public notice	2024 August 21 to 22
Registration period	2024 August 23 to September 22
Homologation of Entries	2024 September 24
Homologation appeal period	2024 September 25 to 26
Final homologation of registrations	2024 September 27
Result of the evaluation of curricula and school transcripts	2024 September 26
Validation boards for quota holders	It begins on 2024 September 30
Appeal period for the evaluation of curricula and school transcripts	2024 October 01th to 02
Final result	2024 October 04
Registration	It begins on 2024 October 07

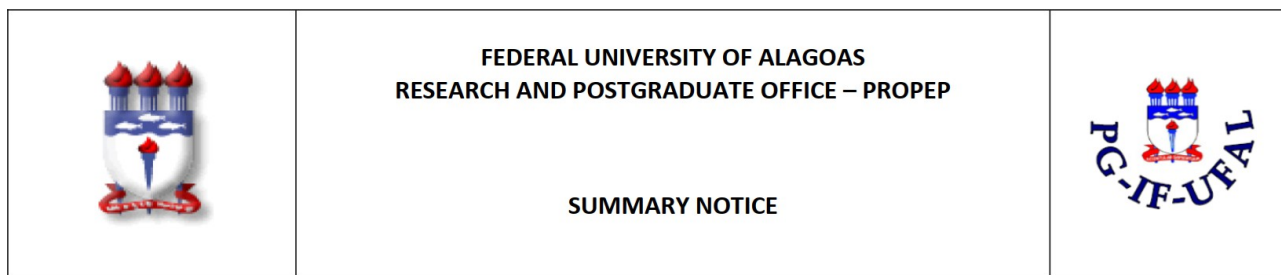

TABLE 1

GRADUATE PROGRAM IN PHYSICS – UFAL (BRAZIL)	Broad Competition	Social Quotas	Quotas for UFAL Workers
Doctorate (PhD) degree	4	5	1

If there are not enough approved quota candidates to occupy the reserved vacancies, these will be reverted to broad competition, being occupied by the other approved candidates.

5. Candidates must attach, when registering for the SIGAA SYSTEM (https://sigaa.sig.ufal.br/sigaa/public/processo_seletivo/lista.jsf?aba=p-stricto&nivel=S), only the following documents:

5.1 Mandatory documents for all candidates:

5.1.1 Completed and signed registration form (Annex 1);

5.1.2 Personal documents:

a) For Brazilians: Identity document, CPF, certificate of provision or exemption from military service for men between 18 and 45 years old

b) For foreigners: National Registry of Foreigners (issued in Brazil, for resident foreigners) or Passport;

5.1.3 To enroll in the Doctorate: Undergraduate diploma and Master's diploma, issued by the Institution where the candidate obtained the degrees;

5.1.4 Academic record of the Master's degree;

5.1.5 Curriculum Vitae completed in the LATTES-CNPq form (available on the website <http://lattes.cnpq.br/>), duly documented with scanned copies of each of the certificates (attach only certificates of activities that generate points for the current selection process, as indicated in the "CURRICULUM ANALYSIS CRITERIA" tables in Annex 2 of this notice). The selection board will not accept CV models.

5.1.6 Criterium Form (Annex 4) completed and signed by the candidate with the desired score, even if it is zero, for each grade contained in the history and in the CV analysis items that can generate a score in this selection, as per Annex 2.

5.1.7 Candidate's Explanation of Reasons Form (Annex 5), filled out with a 20 to 30-line essay that explains the reasons that led you to apply for the Postgraduate Program Degree and what your professional prospects are in academic and technical terms.

§ 1 Only for enrollment in the current selection process, a candidate may replace the diploma or course completion certificate with a declaration issued by a higher education institution stating that the candidate has completed the course. However, the diploma presentation is mandatory for registration in Doctorate (PhD) course. In case the diploma has not yet been issued, a document proving master's degree (with a copy of the master's dissertation and defense minutes attached) completion will be accepted provisionally Course completion certificates are only valid for a period recognized by UFAL for six months from the date of issue. After this period, the graduate student must present a copy of the diploma.

5.2 Only for candidates who intend to request subject equivalence to analyze the academic record evaluation criteria in Annex 2 of the notice, the syllabus for each subject considered equivalent must be sent (stamped and signed by the course coordinator or digitally certified).
