

Summary Notice - “Edital n. 01/2026”

1. Registrations are open for the selection to enroll in Master's course in the Graduate Program in Physics – PPGF/IF/UFAL (Edital PPGF/CPG-PROPEP/UFAL n.º 01/2026).
2. A total of 10 vacancies are available, for broad competition and reserved quotas. Registration will be carried out exclusively online through the Integrated System of Academic Activities Management - SIGAA, from March 19th to April 19th, 2025 ([https://sigaa.sig.ufal.br/sigaa/public/processo\\_seletivo/lista.jsf?aba=p-stricto&nivel=S](https://sigaa.sig.ufal.br/sigaa/public/processo_seletivo/lista.jsf?aba=p-stricto&nivel=S) ).
3. The complete Notice is available (in Portuguese only) at: <https://if.ufal.br/pt-br/pos-graduacao/mestrado-doutorado-em-fisica/selecao-1/regular/2026-1-extra-mestrado>
4. Below is a summary of the most important information:

**TARGET PUBLIC**

- Candidates with a degree in Physics or related areas who hold a higher education diploma issued by official institutions.
- Candidates who still need to complete the undergraduate course may enroll as long as the completion date is officially set before the start of enrollment in the course.

The selection process comprises:

- I - Curriculum Analysis Grade (NAC)
- II - School Transcript Grade (NHE)
- III - Grade on the Explanatory Memorandum (NEM)

<b>Timeline</b>	<b>Period</b>
Publication of the notice	2026 March 17
Period of appeal of the terms of the public notice	2026 March 17 to 18

Final homologation of registrations	2026 April 24
Result of the evaluation of curricula and school transcripts	2026 April 27
Appeal period for the evaluation of curricula and school transcript	2026 April 28 to 29
Final result	2026 April 30
Validation boards for quota holders	It begins on 2026 April 30
Registration	It begins on 2026 May 7

**TABLE 1**

<b>GRADUATE PROGRAM IN PHYSICS – UFAL (BRAZIL)</b>	<b>Broad Competition</b>	<b>Social Quotas</b>	<b>Quotas for UFAL Workers</b>
<b>Master's degree</b>	4	5	1

*If there are not enough approved quota candidates to occupy the reserved vacancies, these will be reverted to broad competition, being occupied by the other approved candidates.*

5. Candidates must attach, when registering for the SIGAA SYSTEM ([https://sigaa.sig.ufal.br/sigaa/public/processo\\_seletivo/lista.jsf?aba=p-stricto&nivel=S](https://sigaa.sig.ufal.br/sigaa/public/processo_seletivo/lista.jsf?aba=p-stricto&nivel=S)), only the following documents:

5.1 Mandatory documents for all candidates:

5.1.1 Completed and signed registration form (Annex 1);

5.1.2 Personal documents:

a) For Brazilians: Identity document, CPF, certificate of provision or exemption from military service for men between 18 and 45 years old

b) For foreigners: National Registry of Foreigners (issued in Brazil, for resident foreigners) or Passport;

5.1.3 To enroll in the Master's Degree: Diploma or Certificate of Completion of the Undergraduate Course issued by the Institution where the candidate obtained the degree;

5.1.4 Academic record of the Master's degree;

5.1.5 Curriculum Vitae completed in the LATTES-CNPq form (available on the website <http://lattes.cnpq.br/>), duly documented with scanned copies of each of the certificates (attach only certificates of activities that generate points for the current selection process, as indicated in the "CURRICULUM ANALYSIS CRITERIA" tables in Annex 2 of this notice). The evaluation committee may accept other types of resume templates from foreign candidates, provided they include information about the candidate's education and academic output.

5.1.6 Criterium Form (Annex 4) completed and signed by the candidate with the desired score, even if it is zero, for each grade contained in the history and in the CV analysis items that can generate a score in this selection, as per Annex 2.

5.1.7 Candidate's Explanation of Reasons Form (Annex 5), filled out with a 20 to 30-line essay that explains the reasons that led you to apply for the Postgraduate Program Degree and what your professional prospects are in academic and technical terms.

§ 1 Only for enrollment in the current selection process, a candidate may replace the diploma or course completion certificate with a declaration issued by a higher education institution stating that the candidate has completed the course. However, the diploma presentation is mandatory for registration in Master's course. In case the diploma has not yet been issued, a document proving undergraduate completion will be accepted provisionally (where it

appears that the student has already obtained a degree and the date of graduation); Course completion certificates are only valid for a period recognized by UFAL for six months from the date of issue. After this period, the graduate student must present a copy of the diploma.

5.2 Only for candidates who intend to request subject equivalence to analyze the academic record evaluation criteria in Annex 2 of the notice, the syllabus for each subject considered equivalent must be sent (stamped and signed by the course coordinator or digitally certified).

§ 1 The forms corresponding to the annexes to this notice can be obtained in editable .docx at the address: [https://if.ufal.br/pt-br/pos-graduacao/mestrado-doutorado-em-fisica/copy\\_of\\_documentos/formularios-1/formularios](https://if.ufal.br/pt-br/pos-graduacao/mestrado-doutorado-em-fisica/copy_of_documentos/formularios-1/formularios)

6. The absence of documents referring to the items listed in article 5 of this Notice will imply the cancellation of the registration.
